SUPPLEMENTARY INFORMATION:

Title: Application of Separate Limitations to Dividends From Noncontrolled Section 902 Corporations.

OMB Number: 1545-2014.

Form Number: TD 9452.

Abstract: The final regulations require a collection of information in order for a taxpayer to make certain tax elections. The American Jobs Creation Act of 2004 amended the foreign tax credit treatment of dividends from noncontrolled section 902 corporations effective for post-2002 tax years, and the Gulf Opportunity Zone Act of 2005 permitted taxpayers to elect to defer the effective date of these amendments until post-2004 tax years (GOZA election). Treas. Reg. §1.904-7(f)(9)(ii)(C) requires a taxpayer making the GOZA election to attach a statement to such effect to its next tax return for which the due date (with extensions) is more than 90 days after April 25, 2006. Treas. Reg. §1.964-1(c)(3) requires certain shareholders making tax elections (section 964 elections) on behalf of a controlled foreign corporation or noncontrolled section 902 corporation to sign a jointly executed consent (that is retained by one designated shareholder) and to attach a statement to their tax returns for the election year.

Current Actions: There is no change in the paperwork burden previously approved by OMB. This form is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals and Households, Businesses and other for-profit organizations.

Estimated Number of Respondents: 50.

Estimated Time Per Respondent: 30 minutes.

Estimated Total Annual Burden Hours: 25.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

REQUEST FOR COMMENTS: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information
